Hop Around the World

Giant World Map Game

This giant world map game is a lot like the Twister, but a lot more educational.

Another one of our bestsellers among schools and homes both, this giant world map can be spread on the floor to be played as a game, or be hung up on the wall for teaching and learning.

Includes a set of cards with country names and arms/legs mentioned. Read out a country name and specify an arm/leg (e.g. right leg, India), and the child has to place the specified arm/leg on the specific country on the map. A great game to play at birthday parties and play dates
Map size - 6 x 4 feet
Non-tear

Age: 3-11 years | Product code: TKWTW
MRP: Rs. 1249

World Bingo

Fun game to learn about different countries

World Bingo helps children learn locations and names of different countries.

It is played just like Tambola / Housie.

The referee picks and reads out the country name from the cards, and the children have to colour the country being read out if and only if it is marked on their respective re-usable world map sheet. Once you're done marking 3 countries in a continent, shout out BINGO and conquer the continent! Child who finishes marking all countries on the world map sheet first will be the king of the world!

A great game to play at birthday parties and play dates
Ideal for gifts and return gifts.

Includes: 8 re-usable world map sheets, 54 country cards

Age: 5-11 years

Product code :TKWWB

MRP: Rs. 329

Tango - Learning Proverbs

Learn 25 English proverbs with this card pairing game. It can be used as a teaching aid by the parent or teacher, or can be played as a game amongst kids.

Game play - First half of the proverb is written on a red card (e.g. An apple a day), the latter half of the same proverb is written on a blue card (e.g. keeps the doctor away). All the blue cards are spread out as a mat open faced on the floor, the red cards are kept closed on a pile. Any player pulls out the red card on top of the pile and reads it out, the first player to find its second half to complete the proverb from the mat of blue cards wins and gets to keep the pair of cards.

Includes 50 cards

Age: 5-11 years | **Product code: TKJKR**
MRP: Rs. 249
