TEAWARE COLLECTION

CAST IRON

Line Blue Cast Iron Teapot (700 ml)

Crafted to perfection, this exclusive line pattern in tranquil blue is a unique addition to Dancing Leaf's range of Japanese cast iron teapots or "tetsubin". The unique aesthetic and rustic charm of the tetsubin elevates tea time to a wholesome experience. Excellent heat retention with fully enamelled interiors, the cast iron is most sought after for its even distribution of heat and fully extracts the essence of the tea leaves.

- Anti-rust enamel coated interior
- Stainless steel basket
- Evenly distributes heat
- Wholly extracts tea flavours
- Solid cast iron teapot
- Brews up to 4 cups

Capacity 770ml | Rs. 3900

Bamboo Gold Cast Iron Teapot (770 ml)

The Japanese way of making tea in an authentic cast iron teapot or tetsubin transcends the common way of tea drinking. Every concoction brewed in the solid cast iron Bamboo Gold teapot is a ceremony that celebrates tea and elevates it to a special experience. The fully enamelled interior coating of the tetsubin ensures longevity while the stainless steel tea infusers ease the brewing process and wholly extracts the tea flavours. The Bamboo Gold cast iron teapot keeps the tea inside hot for multiple pours and makes for the perfect accessory for when you're serving company.

- Japanese tetsubin
- Solid cast iron teapot
- Fully enamelled insides
- Stainless steel basket
- Evenly distributes heat
- Wholly extracts tea flavours
- Brews over 4 cups

Porcelain Tea Bag Holder

The quaint porcelain tea bag holder shaped like a miniature teapot complements every tea party and is a thoughtful addition to tea-time. More than being a great decorative kitchen accessory or brunch nook, the tea bag holder is fit to serve sugar cubes, biscuits or bite-sized savouries. Minimize clean up after tea-time and avoid staining table tops with stir spoons and used tea bags. Made from fine quality porcelain, the crisp white tea caddy is shaped with recesses to catch drips from tea bags and contain any runoff. Enjoy easy, mess-free steeping.

- Shaped and recessed to contain runoff
- Teapot shape with handle and spout design
- Crisp white porcelain
- Holds any stir spoon, tea bag and most strainers
- Great as party favours
- Avoid stains on table tops

Rs. 350

Bamboo Matcha Whisk (100 Prongs)

Employed in traditional Japanese tea ceremonies, the handcrafted Bamboo Matcha Whisk is an authentic tool used to whisk a frothy, lump-free and delicious cup of matcha tea. Crafted into fine bristles, the sturdy whisk is made from one piece of natural bamboo. Elevate your matcha tea experience with a traditional whisk to best prepare this powerhouse brew.

- Bamboo enhances flavour of matcha
- Superior to conventional metal whisks
- Crafted from natural bamboo
- Eco friendly
- Strong, sustainable whisk
- Easy and flexible to use
