PRODUCT CATEGORY DESCRIPTIONS

REED DIFFUSERS

- Fashioned from tall, stiff grasses that are porous and excellent for diffusion.
- Work on the principle of capillary action. When reeds are partially immersed in a can of essential oil, fragrance travels up the reeds and gently permeates the room.
- *A 24 hour aromatic experience; no fire, no ash, truly maintenance free.*

FRAGRANCE VAPORIZERS

- Essential Oils, which give various plant parts their individual fragrance and flavour, are obtained by distillation.
- *Vaporizers are a great way to fragrance your home while adding a decorative touch to it. They come in a variety of styles to suit any decor*

FRAGRANCE GIFT

- Host of fragrance gifting ideas that you are sure to find irresistible.
- With some enticing packaging as well.

POTPOURRI

- Ingenious mixture of dry flowers, leaves, herbs and spices with a dash of essential oil and a fixative tossed in to hold it all together.
- Appreciated as much for its visual appeal, as for its alluring fragrance that gently spreads wherever it is kept.

PRODUCT CATEGORY DESCRIPTIONS

PRODUCT CATEGORY DESCRIPTIONS

ROOM MISTER

- Blend of water and aromatic oil which quickly add fragrance to the air and create a more tranquil atmosphere for your home with a gentle, yet powerful mist.

AROMATIC CANDLES

- The purest of wax and an exotic blend of essential oils brought together to create the most exquisite handcrafted aroma candles, which are smokeless and drip less.

REED DIFFUSER

- Work on the principle of capillary action.
- When reeds, which are porous and excellent for diffusion, are partially immersed in a bottle of fragrance oil, fragrance travels up the reeds and gently permeates the room.

- The process gets the best out of your essential oils by releasing their fully aromatic and therapeutic properties, thanks to cold diffusion which maintains the delicate balance of the oil's chemical structure.
- **A 24 hour aromatic experience; no fire, no ash, truly maintenance free.**
